

School Mission

The mission of Veritas is to provide a comprehensive *classical and Christian education*, training students to be discerning when confronted with worldviews contrary to Scripture and with the ability to represent themselves and Christ well in a fallen world.

We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ.

1 Corinthians 10:5

The Classical Education Model is a complete program beginning in Kindergarten and ending with high school graduates equipped to make a difference in this world, wherever Christ may lead them. We encourage students and families to commit to the whole program of study, keeping their eyes on this goal.
